**PIANO TERZO**

This architectural floor plan illustrates the layout of the third floor (Piano Terzo) of a building. The plan is organized into several sections, each containing different types of rooms and facilities:

- ZONA STUDIO:** Large open areas designed for studio use, located on the right side of the plan.
- CAMERE 2 LETTI:** Double-occupancy bedrooms, which are distributed across the floor.
- BAGNO:** Bathrooms, which are typically located adjacent to the bedrooms.
- DISPIEGHI:** Display or storage rooms, which are used for showcasing equipment or supplies.
- VANO ASCENSORE:** Lift shaft, indicating the location of the building's elevators.
- DISPIEGO:** A specific type of display or storage room, indicated by arrows pointing towards it from various parts of the floor plan.
- ZONA STUDIO:** Additional studio zones, located on the left side of the plan.
- ALBERGO SECONDO:** A section labeled "ALBERGO SECONDO" is present in the upper-middle part of the plan.
- CAMERA 2 LETTI:** Double-occupancy bedrooms, located in the upper-middle section.
- BAGNO:** Bathrooms, located in the upper-middle section.
- DISPIEGO:** A display or storage room, located in the upper-middle section.
- ZONA STUDIO:** Studio zones, located in the middle-left section.
- CAMERA 2 LETTI:** Double-occupancy bedrooms, located in the middle-left section.
- BAGNO:** Bathrooms, located in the middle-left section.
- DISPIEGO:** A display or storage room, located in the middle-left section.
- ZONA STUDIO:** Studio zones, located in the lower-left section.
- CAMERA 2 LETTI:** Double-occupancy bedrooms, located in the lower-left section.
- BAGNO:** Bathrooms, located in the lower-left section.
- DISPIEGO:** A display or storage room, located in the lower-left section.
- ZONA STUDIO:** Studio zones, located in the lower-right section.
- CAMERA 2 LETTI:** Double-occupancy bedrooms, located in the lower-right section.
- BAGNO:** Bathrooms, located in the lower-right section.
- DISPIEGO:** A display or storage room, located in the lower-right section.

The plan also features several vertical arrows pointing upwards, likely indicating stairs or lift access between different levels of the building.
